

Newgistics

Freight Solutions Ltd

Meet the team

Newgistics Freight Solutions is an independent family run business with more than 30 years' experience. We value our customers and appreciate their needs are paramount, and as a result have a wide variety of logistics solutions available.

As a business we demand the highest standards and achieve this through quality, assessment and the maintenance of health and safety and compliance matters. Newgistics is also a member of the British International Freight Association (BIFA) and ISO accredited.

The world of international freight and logistics is complex, however we can simplify and resolve any problems you may have by advising you of the best options available.

JON NEWINGTON / MANAGING DIRECTOR

Jon has a wide-ranging career history which has included working in the Royal Air Force Movements Squadron, a role that involved supporting Tri-Service units worldwide with mission critical loads, parcels and repatriations.

This experience, mixed with his broad knowledge of the freight forwarding and courier business in the civilian sector, means he is best placed to offer clients of all sizes pragmatic, logical and practical solutions to any problem.

Whether it is an air, sea, road or storage option you require, he ensures that Newgistics has your wishes and expectations at the forefront of everything it does.

SUE NEWINGTON / DIRECTOR

As a qualified member of the Association of Accounting Technicians (AAT), Sue ensures the smooth running of the office utilising all aspects of her accounting, HR and customer service experience to maintain the standards required and expected by our clients.

Sue and her team ensure clients are kept up to date with any legislative changes, and they often attend HR seminars to keep abreast of any upcoming changes or recommendations.

Additionally, Sue's team is also well placed to manage external payrolling for clients who seek a fully managed solution either on or off site.

Parcel Services

National / European / Global

We can tailor our services to your individual needs.

Newgistics provides time and day defined deliveries globally. We offer several next day and deferred services worldwide for all consignments up to 70kg in mass or volume.

We offer bespoke delivery services for unusual and oversized items along with traditional air, road and sea freight channels.

National: Next day and deferred deliveries available within the UK mainland.

Europe: Next day and deferred deliveries to most EU destinations.

Global: Next day and deferred deliveries available to many cities.

Parcel Services

Dedicated Deliveries

Immediate response to time critical deliveries.

Our dedicated delivery service is second to none, and with over 30 years in the industry we have moved, adapted and tailored our business to ensure we are delivering a premium service.

This is backed up by our proactive account managers whose mission is to maintain the service levels whilst evoking trust and repeat business based on quality.

With a large range of courier services at our disposal, we have negotiated comprehensive rates and service level agreements meaning we can easily match your requirements.

Our team manage various contracts for large and medium sized businesses who receive the same quality of service regardless of amount or volume sent.

We are also encouraged by our individual clients who see us as an integral part of their small enterprise growth and development into bigger and more successful businesses.

Freight Services

Air / Sea / Road

We offer several levels of service for international destinations.

CHARTER

Dedicated charter services for bespoke, time sensitive deliveries, acting swiftly to support our clients fully. This includes matching the best aircraft with each load and destination.

HAND CARRY

When it needs a personal service we can offer an alternative to a charter with our hand carry service. This option is available to all destinations.

DOOR TO DOOR

If it's important to you, it's equally important to us. We can arrange for the item to be picked from your door and delivered by hand to your client in any location worldwide.

AIRPORT TO AIRPORT

Newgistics can organise bespoke airport to airport air freight deliveries.

Freight Services

Air / Sea / Road

Newgistics provides dedicated freight services for larger and more bespoke deliveries throughout Europe and the rest of the world.

Over the last two decades we have developed many long-standing partnerships throughout the global transportation sector. You will benefit directly from this invaluable experience by getting the most appropriate service solutions for your individual needs.

Newgistics has many years combined experience covering all aspects of freight fulfilment. Together with our long-established shipping partners, we can offer comprehensive options, ranging from:

Small consignments

FCL cargo (full container loads)

LCL cargo (less container loads)

Out of gauge cargo

So, whether you need full door to door delivery or just port to port services, in either import or export, we are able to create the perfect sea freight solution.

Freight Services

Air / Sea / Road

DOMESTIC ROAD FREIGHT

You can choose to send your shipments as a dedicated single vehicle delivery, or, if it is of a less time critical nature, as part of a groupage delivery.

Whatever your needs, we can advise you of the best options to take.

EUROPEAN ROAD FREIGHT

Newgistics works with the very best partners across Europe enabling us to offer flexible, reliable and cost effective solutions for every load.

Our express and groupage service ensures the client has numerous options available, and with 74 European hubs using 56 daily manned services to all major European cities we can tailor each load to your specifications.

Warehousing Services

P06-30

**15,000 square feet
of state-of-the-art
warehousing offering
seamless reliability.**

Freight Storage & Warehousing

As a successful freight forwarding company and experts in timed distribution, our fulfilment service is second to none. The Newgistics warehouse works seamlessly, combining our efficiency and understanding of the product with the client's exact needs to ultimately ensure an outstanding experience as an end user.

Our drive to be the best is also matched by our continual monitoring of health and safety systems, which is combined with our BIFA membership and ISO accreditation to create a safe and efficient working environment for our staff and site visitors.

We have fine-tuned our warehousing strategy to such an extent that we act as a fulfilment centre for many companies who rely on our skill and professionalism to take delivery, store, stock check, pack, send and track as required.

We feel part of every business we represent and work with that in mind every day.

Executive Transport

Executive Transportation

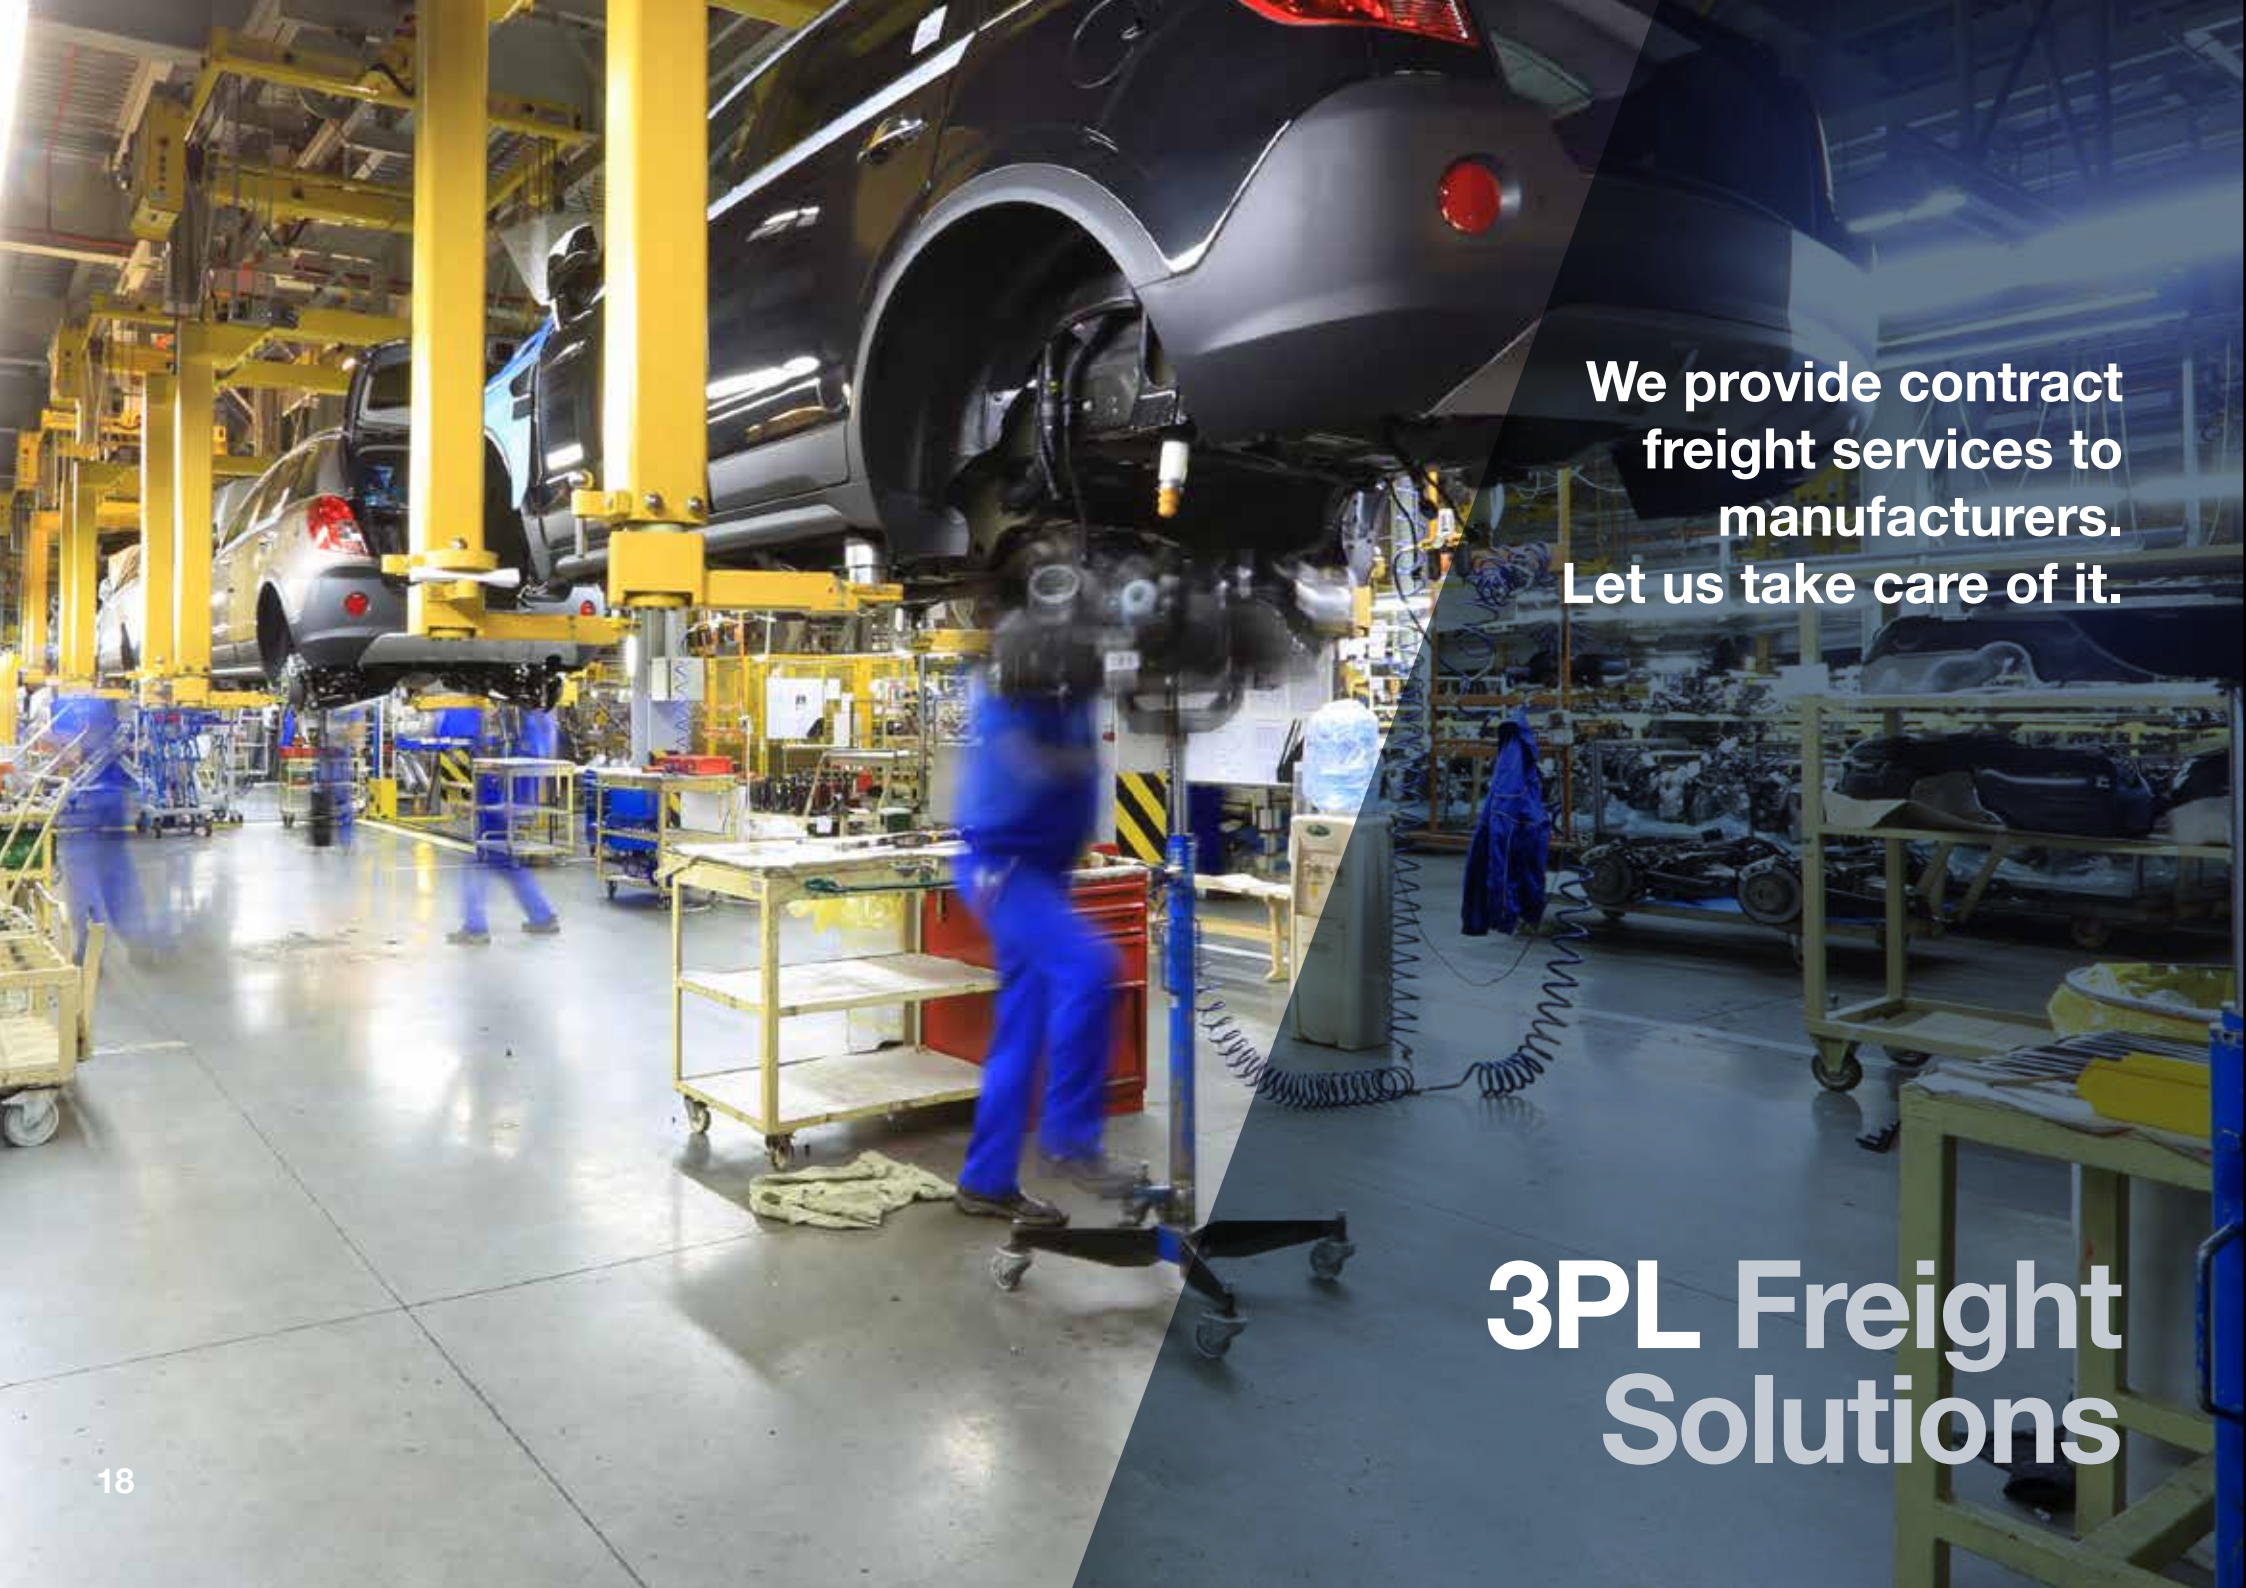

We will get you to your destination in comfort.

At Newgistics, we recognise not all consignments come boxed on pallets or packed in envelopes.

We have introduced a fleet of Mercedes Viano executive transfer vehicles. Luxuriously appointed and fully specified for all your business needs.

So whether you have a client group to impress, a need to arrive fresh and unstressed for an important engagement, or simply wish to get your family to the airport in style, we have all your transportation interests covered.

**We provide contract
freight services to
manufacturers.
Let us take care of it.**

**3PL Freight
Solutions**

Third Party Logistics

Our 3PL service goes beyond logistics offering a full 360-degree package, from recruiting, interviewing, testing, HR and payroll to continued appraisal and KPI expectations, allowing you to focus on your core business and add value to your product.

By ensuring our workforce is flexible, multi-skilled and compliant with all legal expectations they are ready to maintain the continuity of service you would expect from your own team.

The Recruit-e-Smart software we use to recruit and manage staff is bespoke and transparent.

This technology allows you to access real-time shift planners, legal compliance and full KPI management systems to view or pass to your end client anytime of the day.

Additionally, we offer on-site production/site managers with a wealth of experience who act as support for both parties within the contract.

This linked with our in-house accounts team ensures smooth and seamless invoicing, plus the complete management of workplace pension schemes and any other government programmes introduced.
